

Jigsaw Festival

in

**St. Martin's Parish Church
Brighthouse**

We will be holding a Jigsaw Festival over August Bank Holiday weekend 2012.

There will be around 200 jigsaws on display at any time. Most of them will be for sale and as one is sold it will be replaced, so we need 500 puzzles for the Festival.

There will be puzzles for everyone - from collectors' items to children's puzzles; from traditional country scenes to the latest 3D, double-sided, murder mystery, crossword, photomosaics and impossipuzzles, not forgetting the wasgij and mirror image.

We are looking for people who are willing to donate jigsaws and make them up and others who will assemble jigsaws that are donated.
